

**GLOBALIZATION  
PARTNERS**

## Bob Cahill

President

As President of Globalization Partners, Bob manages the day-to-day operations of the company, working in tandem with CEO and Founder, Nicole Sahin.

Bob joined Globalization Partners in 2018, bringing 20 years of C-suite experience. During his tenure as CFO, he has been instrumental in building and scaling Globalization Partners and cementing its status as the leading global employment platform in the industry. He brings extensive knowledge of all aspects of business management with substantial experience in scaling rapidly growing companies. In addition, he has helped guide numerous companies through complex M&A transactions and IPOs.

Prior to Globalization Partners, Bob's early career was at the Big 4 accounting firm Ernst & Young. He also served as CFO, COO, and CEO at a variety of technology companies including Smarterkids.com, Cambridge Interactive Development Corp/Everest Poker, Warcloud Inc., KaBloom Inc., and most recently, Fetch Storage LLC.

Bob holds a Bachelor of Science in Business Administration with an Accounting Concentration from the University of Massachusetts-Lowell and a Master of Business Administration with an MIS Concentration from Bentley University. Bob is also a licensed CPA in Massachusetts.

Outside of work, his passions include traveling, running, and spending time with family and friends.
